## Introduction

This document builds on previous work by Forth Valley Alcohol & Drug Partnership to minimise risk for substance users who are prescribed opioid substitution therapy (OST), methadone and buprenorphine

This guidance provides advice on the minimisation of risk related to ‘take home’ OST medicine for clients, any children living with or visiting them, and the population of Forth Valley.

### 1. Background

- 1.1 Forth Valley rate of OST supervised consumption has been affected by the Covid-19 pandemic and is lower than in previous years.
- 1.2 During public holiday periods, the majority of community pharmacies close and clients are given additional OST doses to take at home.
- 1.3 In the period 2020/2021, Christmas/Boxing Day and New Year holidays will fall on a Friday and Monday allowing for Boxing Day and the 2<sup>nd</sup> January falling on a Saturday. Most community pharmacies will dispense on the Thursday preceding the closures and will open again on the Saturday or Monday/Tuesday thereafter depending upon opening hours agreed with NHS Forth Valley (**Appendix 1**). Over this period, supervised clients and those on daily collection may have up to four days of ‘take home’ OST dispensed. Consideration should also be given to clients on other regimes who may have additional ‘take home’ doses.
- 1.4 Parents are also considered where OST stored at home may present a risk to their children’s safety.

### 2. Community Pharmacy Safeguards

- 2.1 Primary Care Administration publishes a list of opening and closing times for Christmas and New Year periods (appendix 1). Pharmacies engaged in Injecting Equipment Provision (IEP) and the Naloxone programme are detailed in **Appendix 2**.
- 2.3 Community pharmacists reinforce safe storage with clients prescribed OST and issue safe storage leaflets and cards advising pharmacy opening hours. Most community pharmacies now hold an “emergency stock” of naloxone accessed via the pharmacy team in an emergency situation.
- 2.6 Community pharmacists dispense ‘take home’ doses of methadone in individual bottles, with childproof locks to reduce the risk of accidental ingestion of large quantities. ‘Store safely’ warning labels are attached to all ‘take home’ bottles.

### **3. Community Alcohol and Drugs Service (CADS), Forth Valley Substance Treatment Service (FVSTS), Change ,Grow,Live (CGL) including GP prescribing General Practitioner Prescribing Service (GPPS)**

- 3.1 Key workers from all prescribing services will reinforce safety issues according to an agreed checklist with all clients before Christmas. Information leaflets and emergency contact numbers will be issued to each client as part of a 'Public Holiday Safety Pack'. Overdose awareness and naloxone training and naloxone kits will be provided to all clients. Further information about this programme is available from CGL, telephone **0808 1962188**.
- 3.2 Changes to regular prescriptions should be kept to a minimum during December.
- 3.3 The period of titration where the dose is gradually increased is a period of risk for clients. The decision to commence OST during December and over the festive period will be made on a case by case basis.
- 3.4 A risk assessment is completed prior to removal of supervision, which looks at client's individual vulnerability, and safe storage in houses where children and young people spend time. Discussion with the Social Work Team is also documented.
- 3.5 Clients for whom the storage of additional doses at home presents unacceptable risk may be moved to a pharmacy with extended opening hours. The client and both pharmacies will be consulted and kept fully informed of arrangements.

Clients on methadone treatment and known to have children living in or visiting the household will be offered a lockable storage box.

### **4. Safeguards from other Agencies**

#### **4.1 Change, Grow, Live (CGL)**

- 4.1.1 CGL Forth Valley offer a helpline (FREEPHONE telephone **0808 1962188**), which is available during fixed hours on public holidays (**Appendix 2**).
- 4.1.2 Availability of the Harm Reduction Service over the Christmas and New Year period is detailed in **Appendix 3**.
- 4.1.3 Arrest Referral Service is operational in collaboration with Police custody suites throughout the period, inclusive of public holidays.

#### **4.2 Transform Forth Valley**

- 4.2.1 Transform Forth Valley (**01259-272112**) offer a range of services to support individuals and families who are impacted by substance use and/or societal, financial or health inequalities. The Social Inclusion Project works with those individuals over 16 years within the area to access support and engage with community services.
- 4.2.2 The Assertive Outreach Service operates a mobile outreach vehicle with a focus on prevention and early intervention. Availability of the mobile outreach vehicle is detailed in **Appendix 2**.

### 4.3 Courts

4.3.1 The days that Christmas and New Year holidays fall on this year indicates there is some disruption to court proceedings.

4.3.2 Courts in Falkirk, Alloa and Stirling will take place as follows:

	Falkirk Sheriff Court	Alloa Sheriff Court	Stirling Sheriff Court
W/c 14/12/2020	Normal Service	Normal Service	Normal Service
Monday 21 <sup>st</sup> , Tuesday 22 <sup>nd</sup> and Wednesday 23 <sup>rd</sup> December	Normal Service	Normal Service	Normal Service

Tues. 5 <sup>th</sup> January	Normal Service	Normal Service	Normal Service

### 4.4 Social Work

4.4.1 Social work operates a system of alerts, including issues relating to vulnerable families, which is passed to Emergency Duty Teams. These can trigger a variety of responses, including a scheduled visit where there is particular concern. It is important for substance use workers to share information to aid this process.

4.4.2 The social work team on call operates the same system for cover as at weekends. The emergency duty teams will provide additional support and cover from 5pm on Thursday 24<sup>th</sup> December 2020 until 9am on Tuesday 29<sup>th</sup> December 2020 and from 5pm on Thursday 31<sup>st</sup> December 2020 until 9am on 5th January 2021 for emergencies only. They may be contacted by telephone on **01786 470500**.

### 4.5 Scottish Prisons Service

Prescribing services liaise with the Scottish Prison Service to encourage early notification of liberations. The generic mailbox should be used for the initial point of contact for prisons regarding substitute prescribing services in Forth Valley. The generic mailbox will be checked by CADS staff and the referral managed accordingly.

## 4.6 Others

It is important to highlight to other agencies which clients may come in contact with, that the clients may have additional doses of OST at home. These include Maternity Services, Mental Health Services and the Acute Hospital. The Hospital Addiction Team can be contacted on **01324 566231** or radio page **1051/1651**. Please refer to the guideline: [Managing Substance Misuse in the in-Patient Setting](#).

## 5. Summary

- 5.1 It is important that all agencies share information about vulnerable clients prior to holiday periods, so appropriate safeguards can be put in place.
- 5.2 This guidance will be disseminated to all Substance Use Services, Social Work Departments, Maternity Services, Police Scotland, Acute Hospital, Community Pharmacies, General Practitioners, Out of Hours Service, Scottish Prison Service, NHS 24 and other agencies who may come into contact with substance users over the holiday period. The aim is to promote consideration of the issues around the safety and security of OST prescriptions.
- 5.3 'Safe Storage of Methadone' leaflets and naloxone/overdose awareness leaflets are available from the ADP support team on **07775 535133** or [FV-UHB.fvadp@nhs.scot](mailto:FV-UHB.fvadp@nhs.scot)
- 5.4 Many specialist drug agencies close on public holidays and are unable to provide advice and assistance at these times. CGL Forth Valley offer a FREE helpline (telephone **0808 1962188**), which is available during fixed hours on public holidays (**Appendix 3**).
- 5.5 Forth Valley Substitute Prescribing Services and staff available over the Christmas and New Year period with contact details are listed in **Appendix 4**.
